BRUNO PAILLARD
 The Bruno Paillard story starts in January 1981, when Bruno, armed only with unstinting self-belief and the cash from selling his old Jaguar, decided to create his own Champagne. The challenges involved in taking on the region's established names would have stopped lesser men than Bruno, but over the last three decades he has turned his eponymous business into one of the most prestigious houses in Champagne. The house follows a strict quality charter that includes using only first pressings, vinifying each cru separately and putting the disgorgement date on each bottle. Fresh, dry and vibrant, his wines are made with an uncompromising attitude to quality that shines through in the glass.
